## **Allowed roofing materials**

The following are the approved roofing material for Sunny Hill HOA.

All roofing projects must be approved in writing by the board prior to construction. Your roofing request must be accompanied by your contractor's specifications on the product detailing product and color.

1. Cedar shakes, medium or heavy gage, 100% Vertical Grain,.
2. Composition "shake style" shingles maybe selected from the following:

**CERTAINTEED**, Presidential or Presidential TL Shake

Autumn Blend, Shadow Gray, Slate Gray, Charcoal Black

**PAPCO**, Paramount Signature or Paramount Advantage

Oakwood, Weathered Wood, Driftwood, Pewter Gray, Antique Black

**GAF**, Grand Sequoia or Grand Canyon

Autumn Brown, Charcoal, Weathered Wood, Slate, Storm Cloud Gray,

Mission Brown, Black Oak, Stonewood

The Sunny Hill HOA board and the Lake Oswego Fire Department recommend composition roofing for its fire resistance over wood shake.
